

The background is a vertical gradient from dark purple at the top to a bright pinkish-orange at the horizon. A large, textured full moon is centered in the upper half. Several small white stars are scattered across the sky, and a single shooting star streaks across the upper right. In the foreground, dark silhouettes of rolling hills and mountains are visible. On the left, a cluster of evergreen trees stands on a hill. In the center, a lone wolf stands on a peak, looking towards the right. On the right, another small cluster of trees sits on a hill. The overall mood is serene and mysterious.
