Let's Play Reasoning Paper Folding Cuttin **Mohit Kawatra**

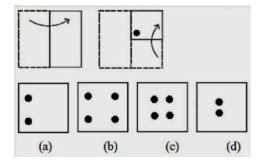

1. If the paper is folded according to the underlined points, what will it look like when opened

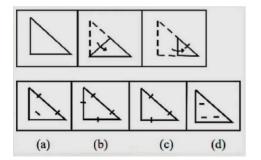

2. If the paper is folded according to the underlined points, what will it look like when opened

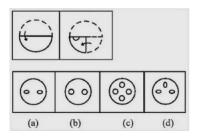

3. If the paper is folded according to the underlined points, what will it look like when opened

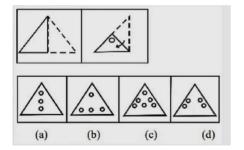

4. If the paper is folded according to the underlined points, what will it look like when opened

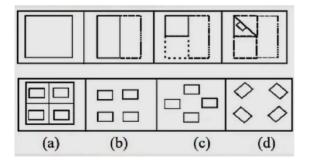

5. If the paper is folded according to the underlined points, what will it look like when opened

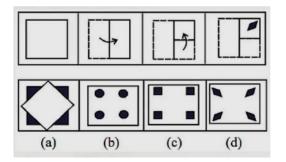

6. If the paper is folded according to the underlined points, what will it look like when opened

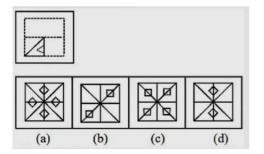

7. If the paper is folded according to the underlined points, what will it look like when opened

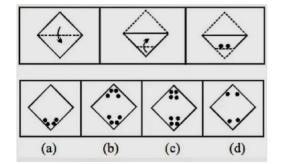

8. If the paper is folded according to the underlined points, what will it look like when opened

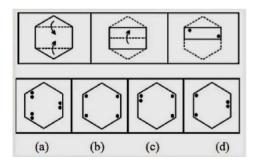

9. If the paper is folded according to the underlined points, what will it look like when opened

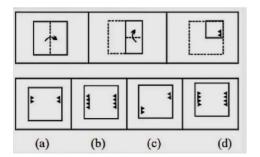

10. If the paper is folded according to the underlined points, what will it look like when opened

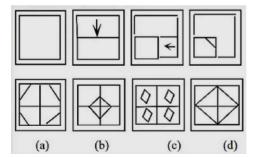

11. If the paper is folded according to the underlined points, what will it look like when opened

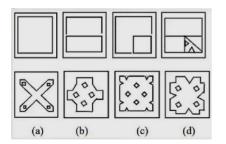

12. If the paper is folded according to the underlined points, what will it look like when opened

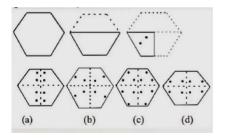

13. If the paper is folded according to the underlined points, what will it look like when opened

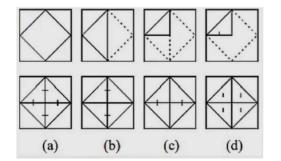

14. If the paper is folded according to the underlined points, what will it look like when opened

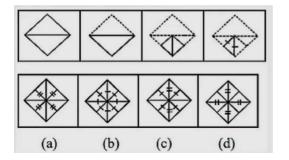

15. If the paper is folded according to the underlined points, what will it look like when opened

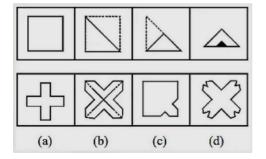

16. If the paper is folded according to the underlined points, what will it look like when opened

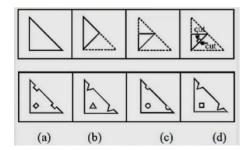

17. If the paper is folded according to the underlined points, what will it look like when opened

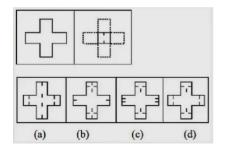

18. If the paper is folded according to the underlined points, what will it look like when opened

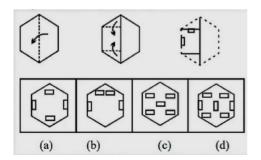

19. If the paper is folded according to the underlined points, what will it look like when opened

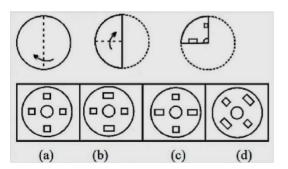

20. If the paper is folded according to the underlined points, what will it look like when opened

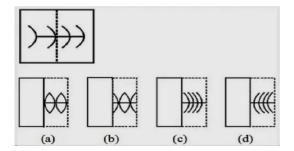

21. If the paper is folded according to the underlined points, what will it look like when opened

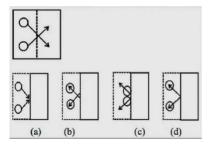

22. If the paper is folded according to the underlined points, what will it look like when opened

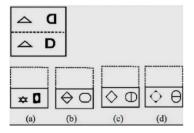

23. If the paper is folded according to the underlined points, what will it look like when opened

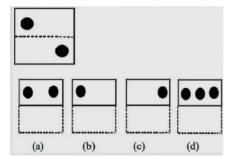

24. If the paper is folded according to the underlined points, what will it look like when opened

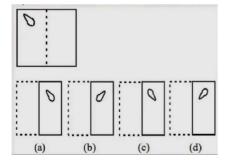

25. If the paper is folded according to the underlined points, what will it look like when opened

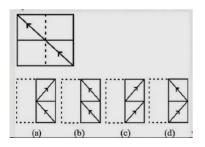

26. If the paper is folded according to the underlined points, what will it look like when opened

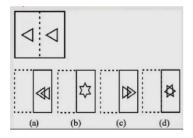

27. If the paper is folded according to the underlined points, what will it look like when opened

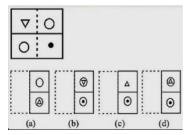

28. If the paper is folded according to the underlined points, what will it look like when opened

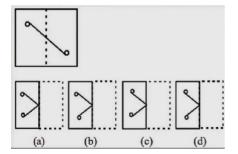

29. If the paper is folded according to the underlined points, what will it look like when opened

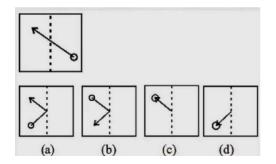

30. If the paper is folded according to the underlined points, what will it look like when opened

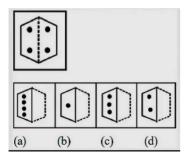

31. If the paper is folded according to the underlined points, what will it look like when opened

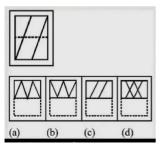

32. If the paper is folded according to the underlined points, what will it look like when opened

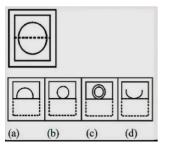

33. If the paper is folded according to the underlined points, what will it look like when opened

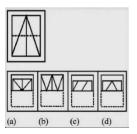

34. If the paper is folded according to the underlined points, what will it look like when opened

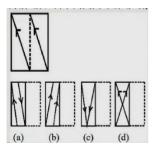

35. If the paper is folded according to the underlined points, what will it look like when opened

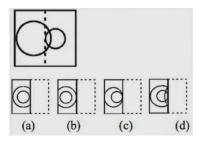

36. If the paper is folded according to the underlined points, what will it look like when opened

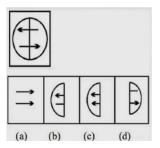

37. If the paper is folded according to the underlined points, what will it look like when opened

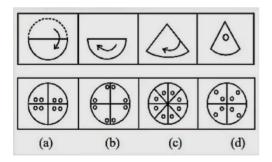

38. If the paper is folded according to the underlined points, what will it look like when opened

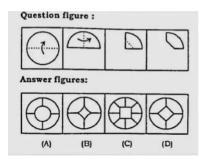

39. If the paper is folded according to the underlined points, what will it look like when opened

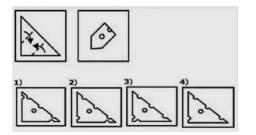

40. If the paper is folded according to the underlined points, what will it look like when opened

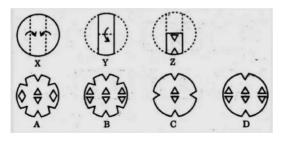

41. If the paper is folded according to the underlined points, what will it look like when opened

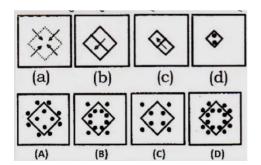

42. If the paper is folded according to the underlined points, what will it look like when opened

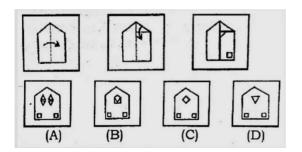

43. If the paper is folded according to the underlined points, what will it look like when opened

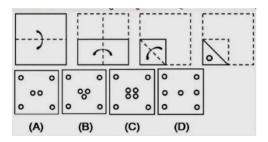

44. If the paper is folded according to the underlined points, what will it look like when opened

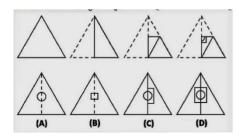

45. If the paper is folded according to the underlined points, what will it look like when opened

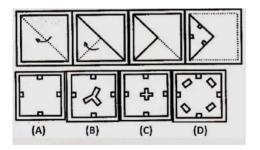

46. If the paper is folded according to the underlined points, what will it look like when opened

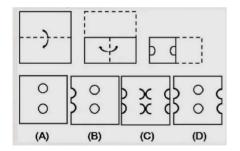

47. If the paper is folded according to the underlined points, what will it look like when opened

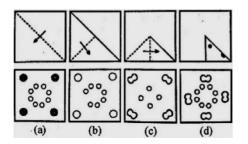

48. If the paper is folded according to the underlined points, what will it look like when opened

49. If the paper is folded according to the underlined points, what will it look like when opened
